Members of the sixth grade sang "America the Beautiful" and "Battle Hymn of the Republic", directed by Mrs. Raymond Winslow.

ANNUAL BAZAAR AND SUPPER

Rochester Woman's Club was festive with flowers and colored lights for the 20th annual bazaar and supper held Thursday afternoon and evening. Lovely red roses from Rochester gardens were used on the long dining tables and other floral arrangements were placed around the hall. A particularly striking arrangement was placed on the piano and was of mock orange blossoms and yellow lillies in a low milk glass bowl.

Mrs. Alphonse Raymond and co-chairman, Mrs. Henry Hartley, reported a fine success for the various bazaar tables. Many unique and attractive gifts were on display. Mrs. Everett Hardy and her committee served the delicious supper to a capacity crowd. All tickets were sold according to Mrs. Timothy O'Brien, ticket chairman.

A highlight of the evening was the presentation of the Raymond C. Hartley Scholarship awards to the three Old Rochester Regional High School seniors by Mrs. Marian Church, president of the Woman's Club. The three recipients were the Misses Constance Hardy, Barbara Hebert and Geraldine Lawrence, all of Rochester. The first award was for \$150. and the second and third for \$75.

Miss Hardy has been accepted at North Adams State College and will enter with the freshman class in September. She was active in the dramatic club and a member of the year-book staff during her senior year at the Old Rochester Regional High School. She also

JOINT PROJECT TO IMPROVE NED'S POINT

As a result of a joint meeting, the Committee on the Veteran's Park and the Mattapoisett Lion's Club have determined upon a united effort to bring about some restoration and improvement to recreation area. They plan to build and donate a 16 x 20 foot cabana at Ned's Point and restore the Oil House, one of the original town land marks.

A stone pier entrance is also planned and will be built. It will bear a bronze plaque inscribed with the name - Mattapoisett Veteran's Memorial Park.

The Mattapoisett Lion's Club have completed projects of lasting value to the town the most recent being the children's play area at Mattapoisett Center School. It is encouraging that such an active group should realize the potential of the Ned's Point area and decide to join in its development. This point is one of the most used pleasure areas in the town with the finest view of the harbor and bay. It is also the most picturesque spot in the town with its historic lighthouse. With development, it could be a fine town beach to take some of the pressure off the crowded town beach. It has good sand bars and clean water. The Lion's, in taking on this area as a project, are contributing a fine and valuable service to the town that will be enjoyed for generations. We salute the Lion's Club for their vision and service.

Resorts in the region report a great deal of advanced reservation activity from states which do not ordinarily send any tourists to New England.

"We are experiencing a sharp increase in interest from such states as Illinois, Indiana and Missouri," said Angus MacDonald of the Jug End, the largest resort in the Berkshires, "as well as most other states in the mid-west and south.

"The Heritage Trail, being the only New England-wide promotion on a national scale for many years must take the major credit for the increases and I feel sure that the interest that the Trail generates will last for many years to come," MacDonald added.

The ALA Travel Department also reports a big demand for historical information on New England from motorists all over the country.

SENATOR EDWARD C. STONE TO RETIRE

Senator Stone, Republican from the Cape and Plymouth Senatorial District, announced June 19th that he will not seek re-election to the State Senate where he has served since 1948. Senator Stone at age 84 is the oldest member of the Senate. In a statement to this paper Senator Stone said, "Today I am announcing that I will not be a candidate for re-election to the Massachusetts Senate from the Cape and Plymouth Senatorial District.

It is with extreme regret that I give up an opportunity again to represent the Cape & Plymouth Senatorial District in the State Senate. I Have enjoyed serving the district and its fine people but increasing family pressures for me not to run again have become impossible to resist. I intend to continue my interest in public affairs generally and in the Cape and Plymouth District in particular, however.

"I have served this district for the last 15

REP. ALLAN F. JONES TO RUN FOR SENATE

Representative Allan F. Jones, Republican-Barnstable., announced previously that he will run for Senator Stone's seat. Rep. Jones, who lives year round on the Cape, pilots his own plane to Boston, daily, for his work in the State legislature. He feels that it is a great advantage, for a man representing a district, to be readily available at all times to the people he represents. By living on the Cape, he accomplishes this and also is able to check, in person, the progress of State projects there. In a recent visit to Mattapoisett, he
